Miss Estella Boyce Surprises Her Friends By Announcing Her Marriage.

Mrs. Estella Boyce Demeritt gave the operators in the telephone office in Montpelier a surprise Monday morning when she announced to them that her marriage had taken place at 2 o'clock Sunday afternoon at the Unitarian parsonage.

The third degree was conferred by Montpelier council, Knights of Columbus, Sunday evening in their hall in Montpelier upon a class of 41 candidates. The work was actually done by State Deputy Thomas B. Wright and suite of Burlington in the presence of about 400 members of the fraternity, several persons from nearby towns attending the work.

State Treasurer Arthur C. Moore of Barre was among those watching the work. Preceding the meeting, the members and the candidates went to benediction at St. Augustine's church. After the degree work a buffet luncheon was served and remarks were made by several of the state and local council members.

The victory Friday evening of Spaulding high school over the Waterbury high school basketball team has made the Montpelier high school players uneasy. Until that game was played things looked bright for the championship of the interscholastic basketball league but now a game will have to be played with Spaulding for the championship, probably on a neutral floor. Both teams naturally are watching Burlington, which still has three games to play and will easily get two of these. If it gets three, then that team will have an equal standing with Montpelier and Spaulding. Burlington's games are two with Peoples academy and one with St. Albans.

The Company I basketball team defeated the Montpelier high school team on the armory floor here Saturday evening by a score of 30 to 20. The contesters seemed afraid of the old M. H. S. team during the first part of the game but they soon found they were well nigh the equal of the older players and made the Company I team play fast ball to prevent defeat. Donnelly was the star player of the game.

Miss Hilda Sheridan has returned from Boston, where she was called 10 days ago by the illness of her sister, Mrs. Frank Dunn.

A hearing took place this morning in probate court relative to the will of Mary Sherman, late of Moretown. The attorneys were E. H. Deavitt of this city and Charles Black of Burlington.

Albert Michaud of Burlington, formerly employed by the Lane Manufacturing Co., visited Sunday in the city. He was also personnel sergeant of the 21st field signal battalion stationed at Camp Meade, Md., and was recently discharged from service.

The complaining witness is the Borden Condensed Milk Co. of Richmond, whose representatives were here this morning to testify in the case. The jury was drawn this morning and the case commenced in the city court room.

F. E. Gleason represents Lowe, while State's Attorney E. R. Davis is prosecuting. Lowe has been in jail for several weeks, in fact, since he was brought back from Boston after he left Barre a few months ago when he was on his way to Barre city court on a similar charge.

Sergeant John Slivright of the 42d Canadian battalion is visiting his brother, George, in this city. He was wounded during the early part of the war and was

also gassed, and since recovering partially he was employed in hospital service. At the time he was wounded he received eleven distinct wounds, from the effects of which he has practically recovered at this time.

WASHINGTON

RED + NOTES

The surgical dressings room at Red Cross headquarters will be open on Wednesday evening from 7 to 8 o'clock, so that all ladies who have not yet removed their aprons may do so then. Please make a special effort to come.

The principal effort on the part of the Red Cross the country over just now is to collect old clothing for the refugees, a special drive being on for March 24 to 31. So much are they in need of clothing of all kinds that there is no time for branches here in the United States to make the articles and send. The material must be sent as soon as steamers can be provided for its shipment and anything that has wear left in it will be acceptable. Especially is there a call for drunken underwear, baby clothes of all kinds, woolen garments and anything that is practical, which the women of the devastated countries can make over or which can be used as it is. If hats are sent, all trimmings must be removed. Nothing flimsy should be sent, as the garments will be subjected to the hardest kind of wear.

Be sorting your old garments. See if there are not things you can spare to help others. Enough time is given before the drive commences to allow for everyone to make this investigation.

Having collected your garments, bring them to the war chest rooms in the Red Cross headquarters if possible. If not, notify Mrs. George Tilden, Tel. 533-M, and they will be called for.

Let Barre's contribution be large. Don't discard anything that might give warmth and comfort to a suffering people.
